

We vermicompost in large quantities:

- Biosolids
- Waste Activated Sludge (WAS)
- Anaerobic Digested Sludge
- Dissolved Air Flotation Sludge (DAF)
- Food Waste
- Paper & Cardboard
- Pulpmill Solids
- Paunch (undigested Grass)
- Wood Ash
- Lake Weeds
- Other natural materials (ask us)

You want a solution for organic waste? Join us. We'll make a great team.

MyNoke Services

From food waste to paper products, sludge and biosolids, we provide an end-to-end solution for dealing with organic waste materials.

Supply MyNOKE with your organic resources and we can upcycle them to produce vermicast, a valuable conditioner ideal for improving soil health and function.

Our competitive pricing costs no more than landfill and offers an eco-friendly solution for your waste management.

At MyNoke, we carefully blend organic resources (the wastes we collect) into a perfect cocktail of nutrients for our breeding earthworms.

We integrate vermicomposting into existing farms and forestry to improve soil fertility, boost plant growth, and increase earthworm numbers in soil.

While creating high quality MyNoke Vermicast, our earthworms reduce the volume of the original organic wastes by 80%!

All MyNoke Vermicast meets product standards such as the New Zealand Standards for Compost, Potting Mixes and Mulch. Vermicast derived from biosolids meets Aa-grade standards for the New Zealand Biosolids Guidelines. We also produce Organically Certified Vermicast.

[View all of our products at mynoke.co.nz](http://mynoke.co.nz)

Our service includes collecting waste from your workplace, school or kindergarten at an affordable price - we then feed the waste to our earthworms and can either return the produced vermicast to you, or donate it to a local community project.

We work with a range of organisations, including hotels, restaurants, hospitals and manufacturing plants to provide a waste solution that actively benefits the environment.

A few of our partners:

Oji Fibre Solutions
Hamilton City Council
Western Bay of Plenty District Council
Taupō District Council
South Waikato District Council
Winstone Pulp International
Seeka
Zespri
Oceania Healthcare
Wairakei Resort Taupo
